Miss Catherine Hellams
1745 Hurt Building
Atlanta, Ga.

Dear Madam:

Replying to your favour of January 12th,
I very much doubt if this Society would be inter-
ested in the medals, about which you write, un-
less you can set an approximate price upon them.
It is possible that one of our members might be
interested, but I think he would make no offer
unless you could send us some approximation of
their value.

Very truly yours,

Curator
